ABOUT SONTIQ

Sontiq, headquartered in Nottingham, MD, is a high-tech security and identity protection company arming businesses and consumers with award-winning products built to protect what matters most. Sontiq's brands, EZShield and IdentityForce, provide a full range of identity monitoring, restoration, and response products and services that empower customers to be less vulnerable to the financial and emotional consequences of identity theft and cybercrimes. Learn more at www.sontiq.com or engage with us on [Twitter](#), [Facebook](#), [LinkedIn](#), or [YouTube](#).

IMPORTANT NOTE: To be sure you receive all the identity protection services that you are entitled to receive from IdentityForce, please fully complete the information requested in your personal dashboard. Please be aware, if you do not provide IdentityForce with additional information about yourself or your dependents, we can only help protect the information that has been provided. If you do not utilize all the identity protection services you are entitled to receive, you will not be eligible for a refund for any services that go unused. In addition, no one can guarantee that they can prevent all identity theft and you may still become a victim of identity theft even if you use our services. Our monitoring services may not uncover all suspicious activity, and alerts require subscriber's current email address. Fully managed restoration requires subscribers to sign a limited power of attorney.
