Let's get serious about cyberthreats and identity crimes impacting businesses everywhere — and the increasing focus on hackers targeting mobile devices. With **88% of business leaders** feeling vulnerable to cybercrime, Sontiq's Business Suite is built to help organizations protect what matters most — from the foundation of their livelihood to the employees who execute upon their vision and strategy.

Sontiq's Business Suite provides essential identity theft protection and mobile cybersecurity services, enabling companies to focus more time and attention on building capital, expanding their customer base, and creating customers for life.

Sontiq has created an industry-first suite that empowers businesses to guard against fraud and cyberattacks — for both their business and their employees. Organizations benefit from:

- 1 **BUSINESS DARK WEB MONITORING** | Constant monitoring of the Dark Web for your business' information. For example, Employer Identification Number (EIN), domain, Creditsafe Safe Number, D-U-N-S Number and corporate credit card number are continuously monitored.
- 2 **BUSINESS CREDIT MONITORING, SCORE & REPORT** | Business credit monitoring so you can confidently manage your credit.
- 3 **FULLY-MANAGED BUSINESS RESTORATION** | Exclusive service includes proactive capabilities and a white-glove response program, featuring access to dedicated and certified resolution specialists, to keep your business identity safe.
