

TOP-RATED IDENTITY THEFT PROTECTION

Cost-effective, Scalable and Customized Data Breach Solutions

Few incidents can shake your business like a data breach, as a successful breach can put your customers, your employees, even your reputation at risk. While the number of data breaches and security compromises continues to rise, there are steps you can take now to help protect your business. Should the worst happen, Sontiq has your back to help you protect what matters most.

YOU NEED RAPIDRESPONSESM

A data breach doesn't have to be catastrophic. RapidResponse by Sontiq delivers a cost-effective, scalable and customized data breach solution that can be implemented within days or even hours of a breach. We also provide tiered and multi-year pricing.

With RapidResponse, we'll help you navigate a fast path to recovery by providing:

- A team who will respond to your requirements quickly, collaborating with you to develop a custom response plan that will help remove the stress and emotional toll of the security incident
- A top-rated partner who is trusted and brings a team of specialists who have experience with breaches of all sizes, giving you the counsel needed to take the right actions
- Breach solutions that are tailored to your business needs at competitive prices, so you can feel confident in your selection
- Formal notifications to impacted individuals, removing the burden from your team and providing victims the support they need
- Detailed enrollment and identity theft victim reports to keep you continuously updated

60+ YEARS OF EXPERIENCE

As your trusted partner, we'll put our 60+ years of combined experience managing high-risk security incidents to work for you. We'll respond quickly and efficiently, whether your breach has affected 2 people or 2 million. We immediately help you avoid distractions to your business, minimize legal fees and regulatory fines and protect your reputation.

TRUSTED BY U.S. GOVERNMENT

The most trusted names in government rely on us. We've done business with the FBI, U.S. Department of Homeland Security and FAA, to name a few. We offer experience, speed and 24/7 support, which can be the difference between a brief disruption and a disaster. We are the safe and smart solution.

FAST AND CONFIDENTIAL

We understand the importance of a rapid and effective response after an incident occurs. RapidResponse delivers low-cost, scalable and customized solutions to businesses, government agencies and organizations affected by a data breach. Mitigate your organization's risk, limit liability and reduce reputational damage RapidResponse.
