

WORLD-CLASS IDENTITY THEFT PROTECTION

Cost-effective, Scalable and Customized Data Breach Solutions

Nothing can shake your business like a data breach. Your customers, your employees, even your reputation are at risk. Data breaches and security incidents continue to hit every industry, reminding us how vulnerable we all are, while also making us feel helpless. However, if the worst should happen, Sontiq has your back your back and we're here to provide 100% peace of mind to help you protect what matters most.

YOU NEED RAPIDRESPONSESM

A data breach doesn't have to be catastrophic. RapidResponse by Sontiq delivers a cost-effective, scalable, and customized data breach solution that can be implemented within days, or even hours in the event of a breach. We also provide tiered and multi-year pricing.

With RapidResponse, we'll help you navigate the quickest path to recovery by providing:

- A team who will respond to your requirements quickly, collaborating with you to develop a custom response plan that will help remove the stress and emotional toll of the security incident
- A partner who is trusted and recognized as best-in-class with a team of experts who have experience with breaches of all sizes, giving you the counsel needed to take the right actions
- Tailored breach solutions to fit your business needs at competitive prices so you can feel confident in your selection
- Formal notifications to those impacted, removing the burden from your team and providing victims the support they need
- Detailed enrollment and identity theft victim reports to keep you continuously updated

60+ YEARS OF EXPERIENCE

As your trusted partner, we have a combined 60+years of experience managing high-risk security incidents to work for you, responding quickly and efficiently, whether your breach has affected 2 people, or 2 million. We immediately help you avoid distractions to your business, minimize legal fees and regulatory fines, and protect your reputation.

TRUSTED BY U.S. GOVERNMENT

The most trusted names in government rely on us. We've done business with the FBI, U.S. Department of Homeland Security, and FAA, to name a few. We offer experience, speed, and 24/7 support, which can be the difference between a brief disruption and a disaster. We are the safe and smart solution.

FAST AND CONFIDENTIAL

We understand the importance of a rapid and effective response after an incident occurs. RapidResponse delivers low cost, scalable, and customized solutions to businesses, government agencies, and organizations affected by a data breach. Mitigate your organization's risk, limit liability, and avoid a public relations nightmare with RapidResponse.
