TRUSTWORTHY. TRANSPARENT. ACCOUNTABLE.

Nothing is more important at Sontiq than protecting personal and business identities. We strive every day to earn your trust with our unwavering commitment to safeguard data and the customer information you share with us. The combination of our Sontiq Intelligent Identity Security (IIS) platform architecture, comprehensive security controls, and our strict processes make us the number one choice for organizations that are committed to protecting and securing their valuable customer, partner, and employee information.

Sontiq is committed to following global data privacy standards and practices and helping you understand your rights and responsibilities. Learn more in our Privacy Notice.

CCPA

We take privacy protection seriously, and our CCPA Addendum reflects how we process personal information of Californian citizens, in accordance with the requirements of the California Consumer Privacy Act, Cal. Civ. Code §§ 1798.100 et seq.
